The Historical Society is in the middle of its Annual Membership Drive, so pardon this blatant pitch, but the truth of the matter is that we could use your support.

Each year, as I fill out the forms and grant requests, I have to include the number of members that we have. Not that it's anything to be ashamed of. Our numbers are good, but when I look at the list, I'm always amazed at the people who are not members. I guess I'd be sued for libel if I posted the list of people who aren't members.

As I've said before, we really don't expect too much from our members. It's good if they are interested in LeRoy history or are concerned about life in LeRoy. It doesn't cost too much to become a member and you get quite a bit in return. You'll receive four issues of our newsletter - - now printed in color. We include a discount coupon for the museum store and a couple of passes for the Jell-O Gallery for your friends. And there will be the annual meeting in May and the opening of our 2010 Exhibit on the Donald Woodward Airport.

Last year I put together a batch of questions about LeRoy - - and didn't include the answers. The answers were posted in the *Historical Society's Newsletter*. We had a good response to that so I thought I'd try it again - - with different questions. Give it a try, and see how you do.
