

# Christmas Shop Open

by Lynne Belluscio

Don't forget to do your special Christmas shopping at the museum shop. We have unique gifts that you cannot find anywhere else. The shop is open Monday through Saturday 10 to 4 and Sundays 1 to 4. If you can't stop by, call 585-768-7433 and place an order and we will mail your order to you.

You will notice that we have a number of giraffe items. Many museums have adopted a mascot, and we have adopted "Sebastian." Jell-O included a giraffe in their advertising in the 1960s, and since the Sebastian Company manufactured a small figurine in the shape of a giraffe, we thought that our giraffe should be named Sebastian. Of course, we have the real giraffe in the Jell-O Gallery - - the one that at one time was in Pontillos on Main Street.

A variety of books that are available in the gift shop
